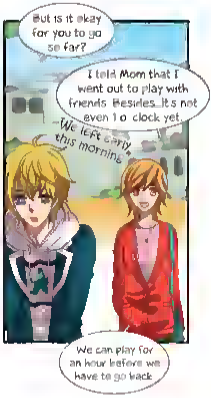
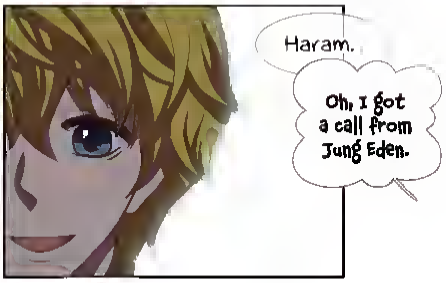
Wow! It's so clear!
It's so pretty~
Wow!!!
It's totally clear! It's completely different from the ocean I went to before
This is a different place. This one is nice too, isn't it?



But is it okay for you to go so far?
I told Mom that I went out to play with friends. Besides, it's not even 10 o'clock yet.
We left early this morning.
We can play for an hour before we have to go back.

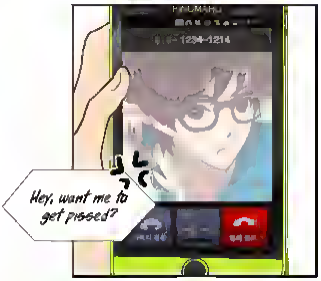
Don't worry. Hanbit said he's coming to pick us up.

Besides...
I'm going to go back with you. So there's nothing to worry about.

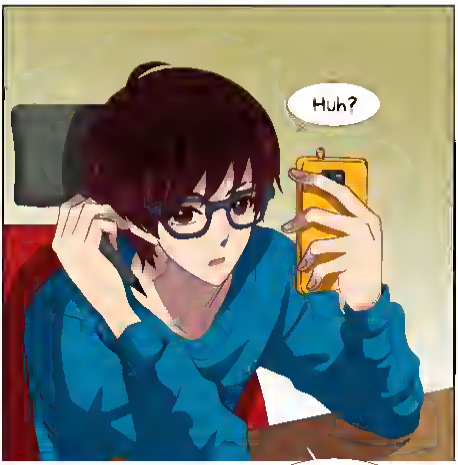


Haram.
Oh, I got a call from Jung Eden.

He has scary instincts! How'd he know I was out playing
Hey! Call me back through video chat! Kekeke!!
Huh? Hey, Choi Ha...
Beep~

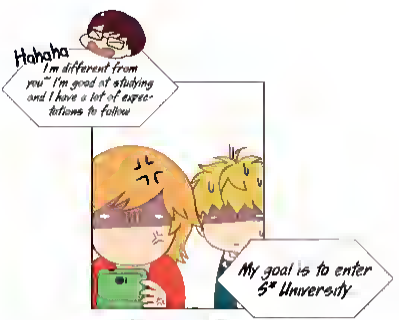


Hey, want me to get pissed?



Hey, we went to the ocean!
Huh?
The sea~? Just the two of you~?
You can't come, right? Goon's next to me so I'll do a video chat to show you...
Oh right, you can't see... Stupid... Hahahaha
What's with you Shut up

I'm studying right now. Pull yourself together... we're in our second year of high school
Hmph! You should go out and play on the weekends



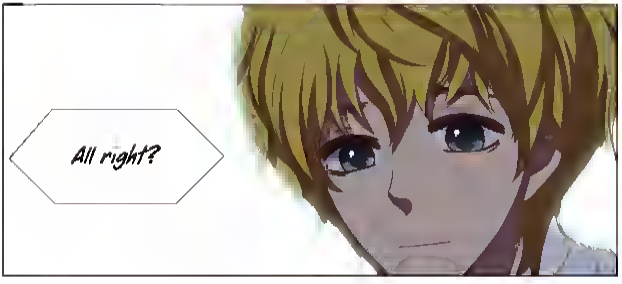
Hahaha
I'm different from you~ I'm good at studying and I have a lot of expectations to follow
My goal is to enter S* University

(TN: S* Seoul University, one of the top school in Korea and high ranked internationally.)

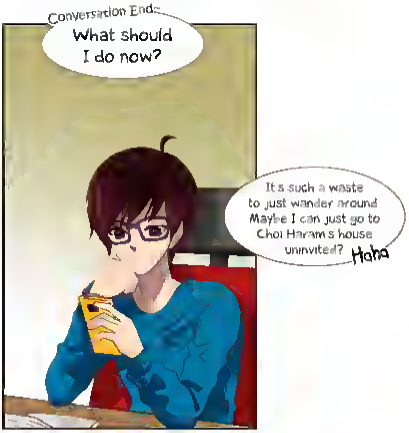
Hey Gaon hyung, are you listening?

You're next to her, right?

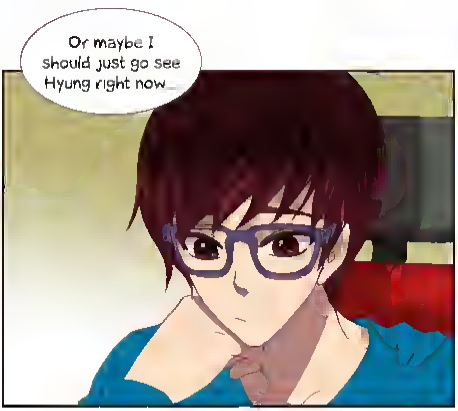
I'm going to go next week, so let's play together then.



All right?

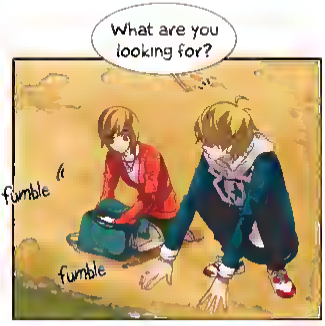


Conversation End...
What should I do now?
It's such a waste to just wander around Maybe I can just go to Choi Haram's house uninvited? Haha

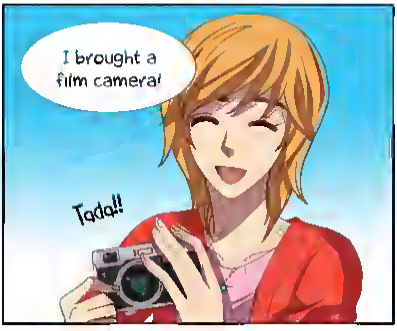


Or maybe I should just go see Hyung right now...

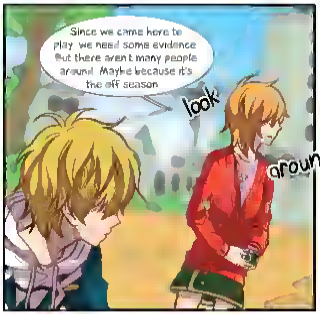
Geez they're at the ocean I don't have time to go there
I'll just finish solving these problems



What are you looking for?
fumble
fumble



I brought a film camera!
Tada!!



Since we came here to play we need some evidence But there aren't many people around. Maybe because it's the off season
look
around

Ah! Miss! Could you help and take a picture?
With the ocean as the background

All right, strike a pose I'm pressing the button
Hehe

Hey you should pose all friendly with me I have to pretend like I'm alone
whisper

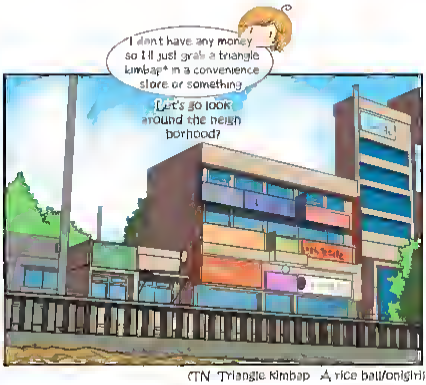
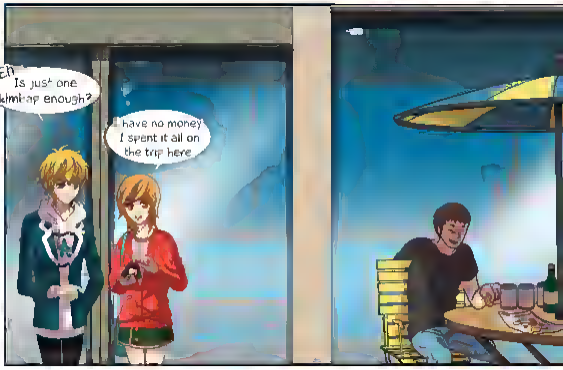
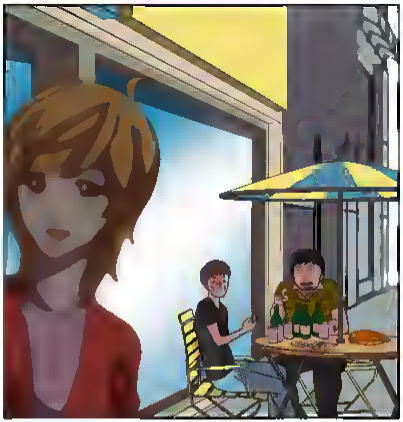
-Chapter 77-
My Worth



I don't have any money so I'll just grab a triangle kimbap* in a convenience store or something
Let's go look around the neighborhood?

(TN: Triangle Kimbap = rice ball/onigiri)

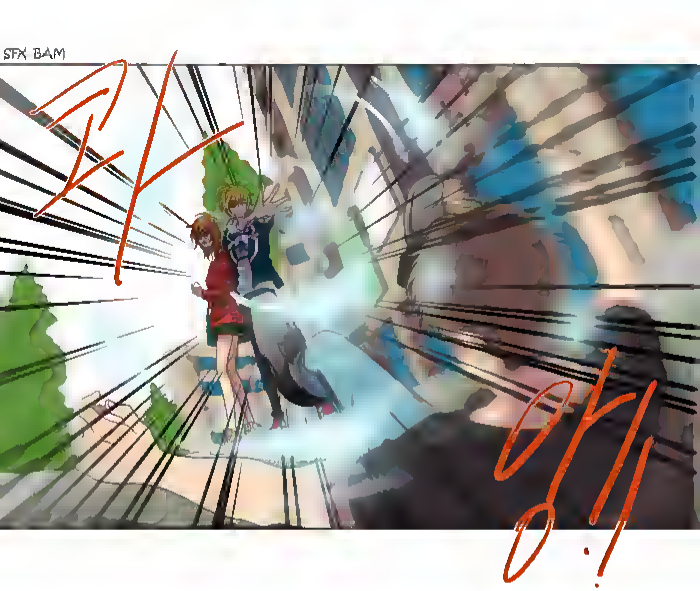




Hiccup~
Little lady, did you come here by yourself? You shouldn't go out and about all alone when you're so young.
Muahaha
If you have a cell phone could you lend it to us for a bit?
Geez. They smell like alcohol

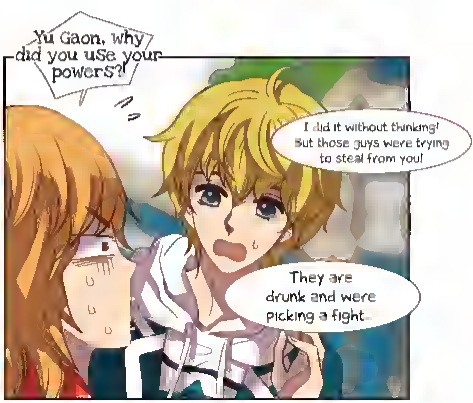
But girl,
are you alone?
Hihi

You can come with
us to the back



SFX BAM

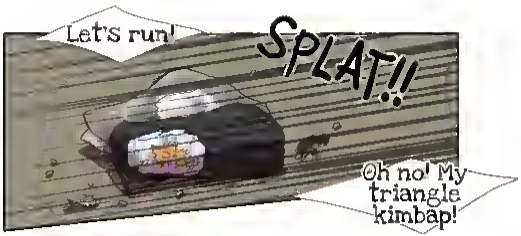
What's this? I didn't see any fist!
LEGENDARY FIST OF A GIRL??
OMG!!
Ah! I got a nosebleed!!



Yu Gaon, why did you use your powers?
I did it without thinking! But those guys were trying to steal from you!
They are drunk and were picking a fight.

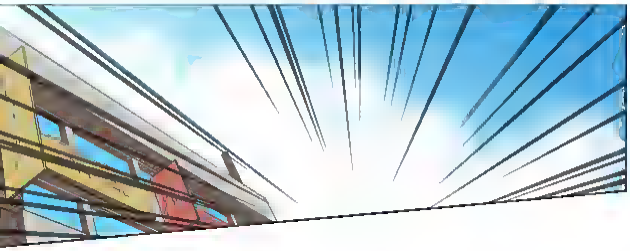
Little lady, I'm going to sell you off to a fishing ship!!
Ah!

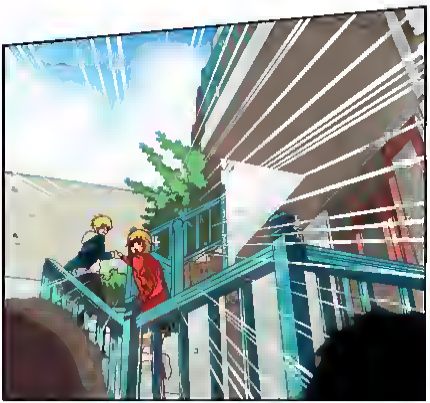
Who are you going to sell?
GAH!
CK!!



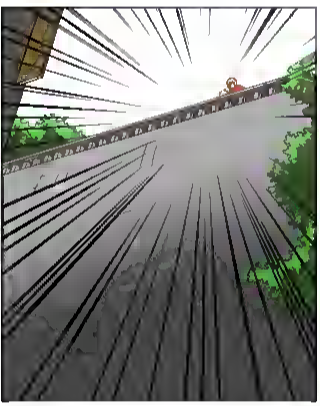
Let's run!
SPLAT!!
Oh no! My triangle kimbap!

That's not important right now!
AH!!
STOP!!





Wow.
So Gaon can fight after all



A dead end! We must have taken a wrong turn!
I CAN SEE THE WHOLE NEIGHBORHOOD FROM UP HERE.
What do we

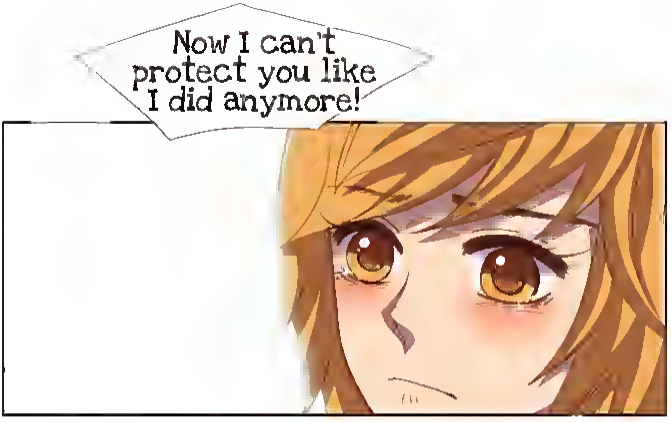
What's with that girl?
A ghost?
She flew in a weird pose

Go back!

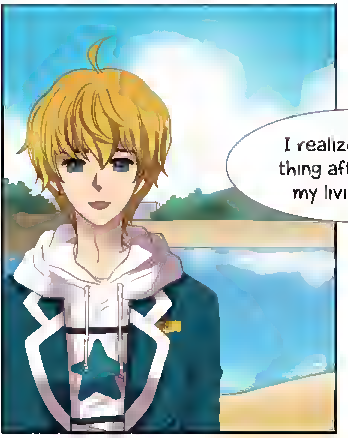
It's dangerous for a girl to travel alone!
Why do you keep telling me to go back? I'm going to play a bit more!

I don't have time!

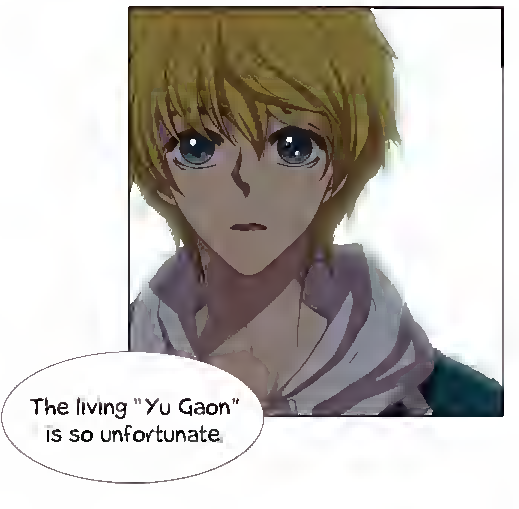


You know, Haram...

There's something I need to tell you



I realized some-
thing after seeing
my living body



The living "Yu Gaon"
is so unfortunate.

He forgot about his beloved mother

and the hyung whom he loved

No matter how painful it might have been how could I have chosen to forget them?

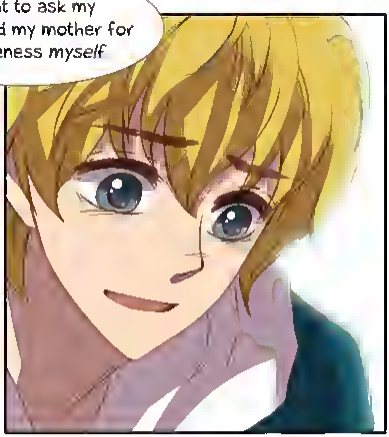
What right did I have?

My mother, and my brother in heaven must still love me very much.

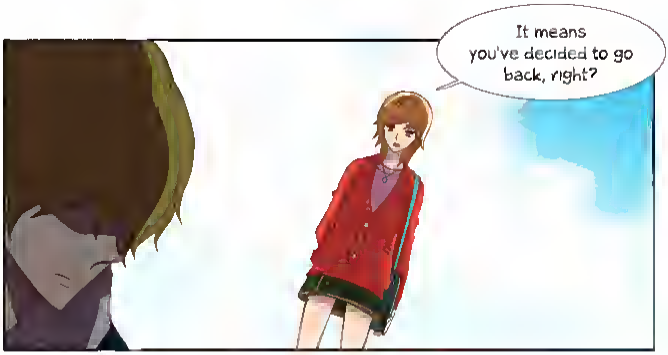
I was a coward and I ran away just to save myself

My mother is the one who s suffering the most

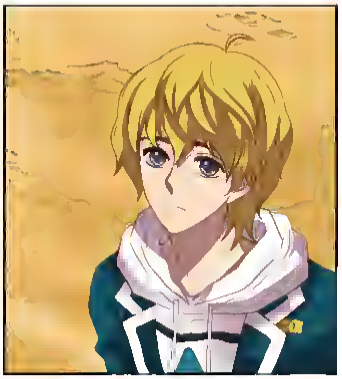
I want to ask my father and my mother for forgiveness myself

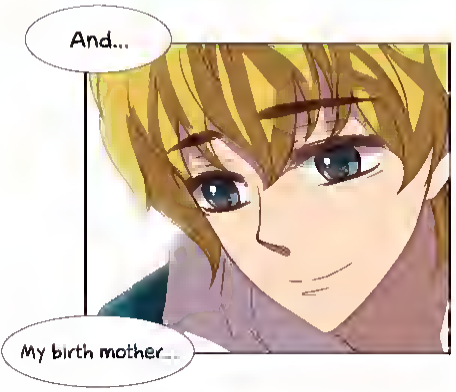


So...
What you're telling me now...

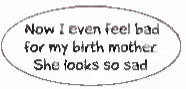


It means you've decided to go back, right?





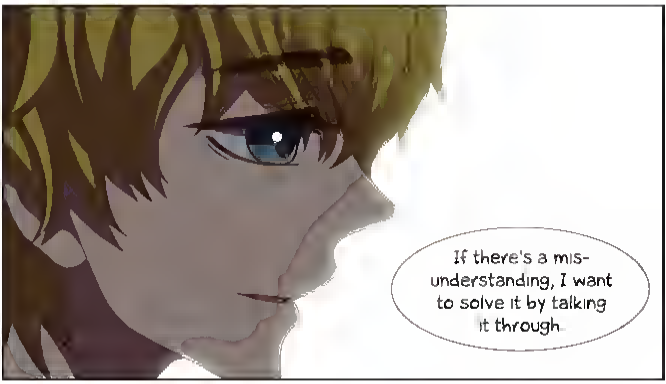
And...
My birth mother...



Now I even feel bad for my birth mother. She looks so sad.

If she has a reason for what she's doing right now...
I want to hear it "directly", with my own ears.

And I want to try and understand her

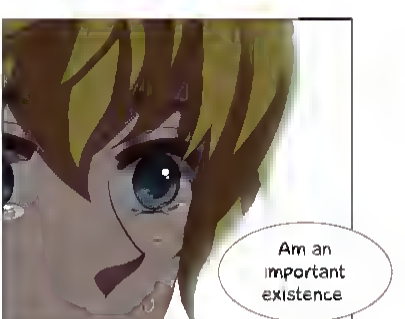


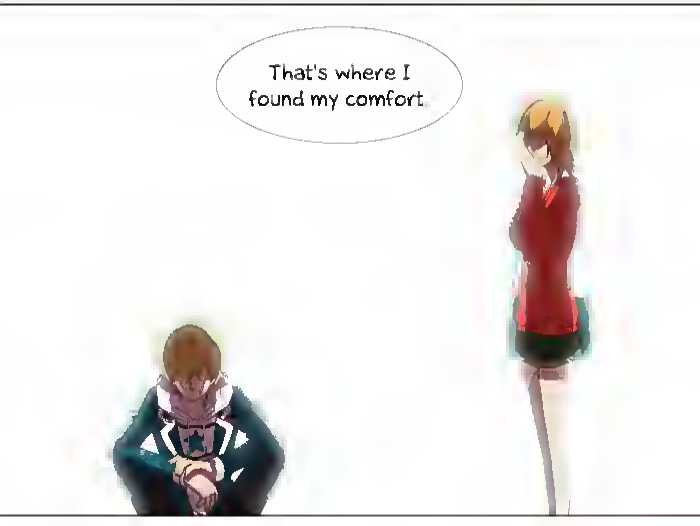
But...

The grownup Yu Gaon cannot do anything

It doesn't matter how many times the people around him tell him the truth

No matter what, he won't be able to remember his true memories





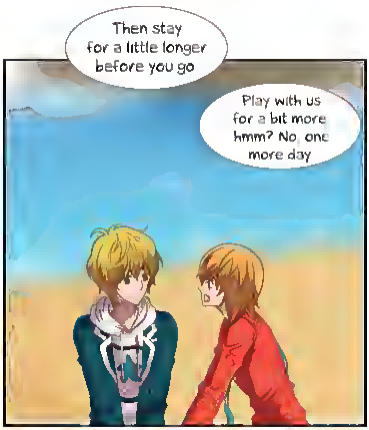
Gaon's dilemma...

Wasn't just about returning or not returning..

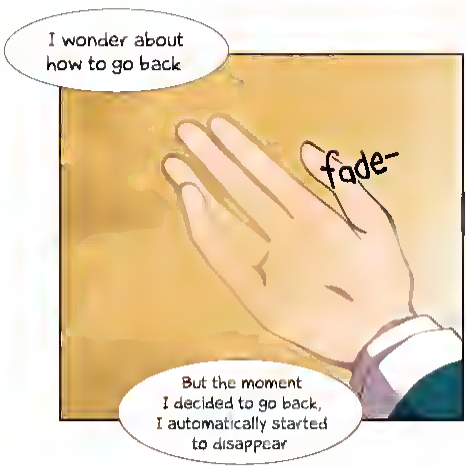
I thought I was nothing. No this, nor that, nor anything

Like what the purple hyung said. I thought I was just an existence that didn't get recycled

I cannot be selfish,
I'm not allowed to be selfish.



Then stay for a little longer before you go
Play with us for a bit more hmm? No, one more day



I wonder about how to go back
fade-
But the moment I decided to go back, I automatically started to disappear

Then are you going to forget about me?
You helped Soi, Garam,
and the guys, too.
Yeojin and Eden...
Those are all precious memories that you made.

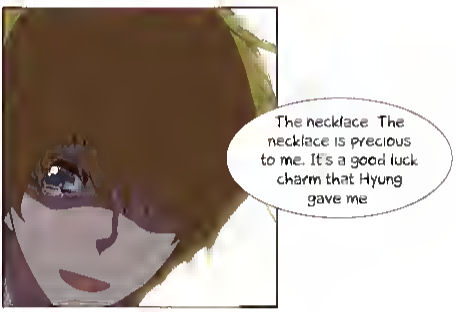
I expected him to go back.

I was prepared.

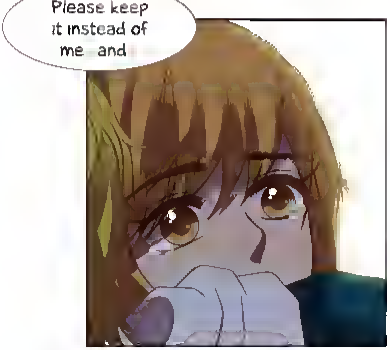
But when the moment came to say goodbye...

I don't want you to go
sniff...
The you that I know will disappear

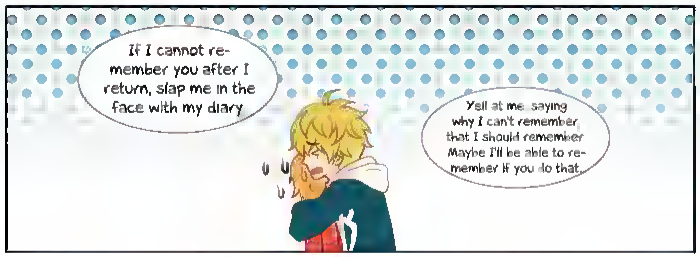
turn...
To me, you



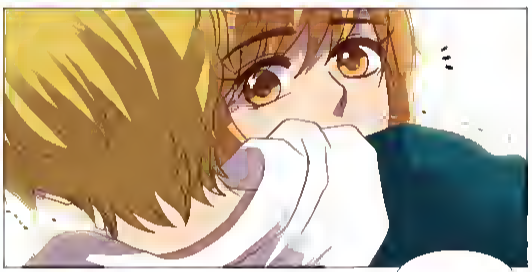
The necklace. The necklace is precious to me. It's a good luck charm that Hyung gave me



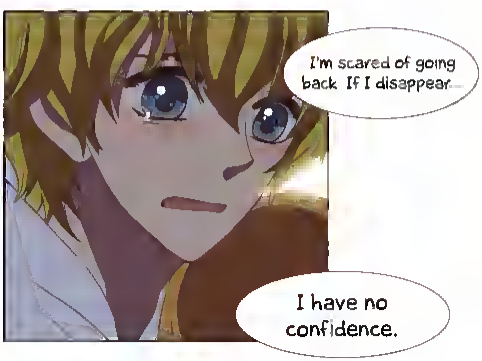
Please keep it instead of me...and



If I cannot remember you after I return, slap me in the face with my diary
Yell at me, saying why I can't remember that I should remember. Maybe I'll be able to remember if you do that.



Gaon..
To tell you the truth... I



I'm scared of going back. If I disappear...
I have no confidence.

You can do it. You'll be able to solve all the misunderstandings. Have a nice conversation with your mother.

You said everything I wanted you to say before you disappeared
Why would you be sorry?

I love you too...

Gaon.
